

### Environmental, Health, and Safety Policy

- BATTERY RECYCLING MADE EASY is committed to upholding its position as the “Low-Cost Leader” in the Battery Recycling Marketplace, while operating in a manner that is conscientious of the environment and its employee’s health and safety.
- BATTERY RECYCLING MADE EASY is committed to the prevention of pollution, injury, and ill health.
- BATTERY RECYCLING MADE EASY is committed to managing and recycling used batteries, at the end of life, based on a metal/non-metal recovery, reuse, dispose hierarchy, including onsite and downstream materials management throughout the recycling chain.
- BATTERY RECYCLING MADE EASY is committed to managing Focus Materials outlined in the Responsible Recycling (“R2”) Practices Standards with due-diligence to protect the environment.
- BATTERY RECYCLING MADE EASY is committed to continuous improvement achieved through monitoring and rigorous evaluation.
- BATTERY RECYCLING MADE EASY is committed to complying with all local, state, federal, and environmental requirements.
- BATTERY RECYCLING MADE EASY is committed to communicating and reinforcing this policy throughout our company, as well as to our customers, our suppliers and to the public.
